Hello, my name is Elaine Conese. I am the board chairman for CareNet. You are invited to join me on this somewhat convoluted tale, based on a true story, laced together with the threads of God's love and grace. My experience with CareNet began approximately 15 years ago when a friend from my church invited me to attend a baby shower at CareNet. This was the first time I had ever heard about CareNet, and what followed was the beginning of a blessed journey that has traveled through just about every area of their ministry: from regular volunteer duties, to church liaison, then to abstinence education coordinator and board member, on to client advocate to now. **WHEW!**

It has provided a first hand opportunity to see God's faithfulness on this ministry through the years, witnessing lives that have been saved and seeing lives that are changed forever, all for His glory.

Today, fifteen years later, as I listen to each woman share her personal story and the emotional turmoil experienced from their unplanned pregnancy, I am, for a moment, returned to a time forty years ago when I, too, was in the same situation. For many of them, this is a time of desperate loneliness and the need for a friend to understand their insecurities. CareNet is that friend... ready to stand in the gap... to shoulder up... to come alongside these women with the support they need, energized by the love of Christ.

What a privilege to serve in this ministry for God's glory. And, guess what,.....

**The Trip's not over yet!**
