

# Volunteer Vision

April 2010

“Where there is no vision, the people perish”

Proverbs 29:18

## Holding On to Your Gift

Margaret Cole, CareNet’s Director of Advancement, has had many opportunities lately to share the abstinence message in this community. To continue promoting this important message, CareNet is sponsoring two booths this spring to educate about abstinence during High School Prom season. The theme of these presentations will be,

### “Giving Away Your Gift.”

The first booth will be located at Dickson Wal-Mart on Saturday, April 17, from 1 pm until 5 pm. The second will be at Old Timer’s Days on Saturday, May 1, from 8:30 am until 3 pm. We need volunteers to help man these booths in shifts. What a great opportunity to reach out to our teens with the positive message of abstinence. We will have abstinence related materials available for you to hand out. If you would like to help, please call the center at 446-0701, by April 8, to tell us which location and time slot you would like to fill.

**Let’s help encourage our teens to hold on to the precious gift of purity!**

*LifeWalk* at Discovery School /Luther Lake  
Saturday, April 24, 2010

Registration begins at 8 am - Walk begins at 9 am

We need volunteers for the registration and prize tables, greeters, and water providers. Call the CareNet office at 446-0701 and let us know what you would like to do to help! And don’t forget to sign up your sponsors and get your walking
