

Volunteer Vision

“Where there is no vision, the people perish.” Proverbs 29:18

FEBRUARY 2010

VOLUME 14, ISSUE 2

Phase 1 Training

On Wednesday, February 24, from 12-3 pm, we will be holding a Phase 1 training meeting here at CareNet.

Phase 1 is what we call the first step in training to be a volunteer at CareNet. Participants will meet with our Client Services Director who will explain who we are, what we do, and what kind of help we need. She will help you discover your special place of service here at CareNet.

We have many volunteer opportunities that are just waiting to be filled. So, whether you are interested in becoming a client advocate, doing office work like answering phones and helping with mailings, praying, or housecleaning, we would love to have you become a part of our team.

Please give us a call here at the center, 446-0701, and let us know you will be here!

Life Walk 2010

**It's easy! It's fun!
And anyone can do it!**

The **Life Walk** is a simple way for people of all ages to actively demonstrate support for the Sanctity of Human Life and a desire to make a difference in the lives of men, women, and their babies. This 2-mile walk will take less than 90 minutes of your time, but its effect could literally last a lifetime. When you put your feet to your convictions and Walk for Life you are directly helping the ministry of CareNet advance its mission to impact and transform people with the love of Christ.

The funds raised from this year's LifeWalk will help continue lifesaving programs that impact hundreds of individuals within our community.
