LifeWalk at Discovery School

Saturday, April 24, 2010

Registration begins at 8 am - Walk begins at 9 am

The **LifeWalk** is a simple way for people of all ages to actively demonstrate support for the Sanctity of Human Life and a desire to make a difference in the lives of men, women, and their babies. This 2-mile walk around Luther Lake will take less than 90 minutes of your time, but its effect could literally last a lifetime. When you put your feet to your convictions and “Walk for Life”, you are directly helping the ministry of CareNet advance its mission to impact and transform people with the love of Christ. You may participate as an individual or as part of a team. A team is simply a group of three or more sponsored walkers who choose to enjoy the **LifeWalk** together. Teams may be made up of churches, small groups, family, friends, neighbors, small businesses, corporations, schools, or community organizations. Team members typically represent people of all ages and walks of life. It can be a time of sweet fellowship and it's a great reason for friends and family groups to get together and “put their feet into action!”

Pre-register online @ www.friendsofcaren.net and download your sponsor forms, or come by the office @ 305 S. Main. St. in Dickson and ask for Doris or Margaret.

CareNet is in the process of contacting the churches in our community asking if they would like to become a part of the CareNet team by participating in any of our fundraising projects or volunteer opportunities. We would like to have a liaison in each church who acts as a spokesperson for CareNet by making announcements about upcoming events, telling their fellow members more about us, answering questions that may come up, and acting as our contact person. Also, remember that Margaret Cole,

CareNet's Director of Advancement, is available to come and speak to your congregation about CareNet events, abstinence, or general information about CareNet. If you would like to volunteer to be a liaison for your church, or would like Margaret to speak, please contact Doris @ 615-446-0701.
